Immunization Clinics in Franklin County

The Franklin County Health Department offers child and adult immunizations at 10 different clinic sites throughout the community. For your convenience, the clinic schedule is listed below.

Required immunizations are available for a \$10.00 administration fee to children ages 1 month to 18 years of age. No one will be turned away due to inability to pay. Adult immunizations are also available at the clinic and vary in price according to the vaccine however international travel immunizations are not available. The community clinics below are the same each month. Please be sure to bring your child's shot record with you to the clinic.
